5 31 EXPLANATION

5 32 This bill relates to the community empowerment initiative.
5 33 The definition of the term "innovation zone" is stricken in
5 34 Code section 28.1, and other references are deleted in Code
5 35 section 28.4 and in Code section 135.106, relating to the
6 1 healthy families Iowa program. Innovation zones were created
6 2 on a pilot project basis in 1996 and transition language was
6 3 included when the innovation zone approach was replaced with
6 4 the passage of the Iowa empowerment initiative in 1998.
6 5 Code section 28.2 provisions stating the desired initial
6 6 results for the initiative are amended to strike the reference
6 7 to a June 30, 2005, target date for when communities will have
6 8 developed the capacity and commitment to achieve the initial
6 9 desired results. In addition, the desired result for "secure
6 10 and nurturing child care environments" is restated to be
6 11 directed to "early care and education environments".
6 12 Code section 28.3, relating to the Iowa empowerment board,
6 13 is amended to expand the voting membership from 18 to 22
6 14 members. Agency director membership is expanded from five to
6 15 six to include the director of the department of workforce
6 16 development. The other three are added to the citizen
6 17 members.
6 18 Terminology changes are made in Code sections 28.4 and 28.8
6 19 from "performance indicators" to "indicators of effectiveness"
6 20 and "home visitation and parent support" to "family support
6 21 services and parent education programs".
6 22 Code section 28.8 is also amended to codify a requirement
6 23 that approximately 60 percent of school ready children grant
6 24 funding is required to be committed to family support services
6 25 and parent education programs targeted to families with
6 26 newborn and infant children. A similar directive was included
6 27 in session law enacted in 1999 Iowa Acts, chapter 190.
6 28 Code section 28.9, relating to the Iowa empowerment fund
6 29 and the accounts within that fund, is amended. Current law
6 30 limits administrative expenditures from school ready children
6 31 grant funding by community empowerment areas to 3 percent. A
6 32 further maximum restriction of \$60,000 within that limit is
6 33 deleted. A new community empowerment gifts and grants account
6 34 is created within the fund under the authority of the
6 35 department of management. The account is to consist of gift
7 1 or grant moneys from any source, including the federal
7 2 government. The moneys in the account are appropriated to the
7 3 department of management to be used for the purposes for which
7 4 the moneys were received.
